

What's Facebook Security Checkup And How Do I Start It?

Hello Members,

The TE Facebook pages are such a great resource for TE neighbors to stay connected and keep informed about what's going on in Trailer Estates whether you are a full time or a seasonal resident. I encourage the use of this social media outlet. However I cannot stress enough how vulnerable one can be on Facebook if you do not know how to set up proper security features to keep your Facebook account safe and protect yourself from scam artists. I have received many friend requests from what appears to be TE residents. Please don't be offended if I have not accepted your friend invite but I don't because I don't know the security measures you have set up on your account. If you are interested in training and need assistance making sure your account is safe send us your feedback. In the meantime below are links to the user guides to do it yourself.

Hope these tips are useful. Stay Safe

Karen Harker, Secretary
